

**2/12/12 Prayers.** Pray for Pastor Daniel who is preaching today. Also pray for Brenda and Joyce. Pray that everything that is done this morning will be to glorify God and that worshippers will feel God's presence and be so in awe that they will truly worship Him. May everyone, including the participants, be touched with the love of Christ. Pray that at least one person will be touched in a faith-renewing way. Pray that the congregation will be receptive to each person who comes to worship today.
