

CHRISTMAS POINSETTIA ORDER FORM

Even though our in-person services have been postponed, we still want to fill our sanctuary with poinsettias on the December 20 & 27 Sunday worship services & our Christmas Eve services this year. The poinsettias will help beautify our sanctuary during our Sunday live stream services.

Since the church office is closed, there are several ways to order this year.

- You can print off this form and drop off or mail it in with payment to the church office.
- You can return your order form information by email to *dsfumer@gmail.com* and pay through the online giving on our church website.

The cost of each poinsettia plant is \$12.50. All orders and payment are needed by **Saturday, December 12th**. Checks may be made payable to First United Methodist Church.
